

Region 4 RAC Meeting 09 09 09 – Intermountain Hospital Meeting Room, Boise

Michelle Belville, Sharon Burke, Melanie Curtis, Jennifer Darling, Michael Dickson, Elisha Figuora, LaDessa Foster, Georgia Girvan, Vern Garrett, Helen Huff, Darren Richman, Sandy Jones, Sherri Molina, Jeff Morrell, Greg Munson, Rick Quanstrom, Laura Thomas, Sandy Rumble, Greg Ullmann, Jean Woodward,

Providers Subcommittee started at 8:30 a.m. The agenda item was to discuss changes to the draft IDAPA rules; a new draft was posted 09 02 09 in the administrative bulletin of the department of Administration's web page. [The Department of Administration Website is at <http://adm.idaho.gov/adminrules/bulletin/mstrtoc.htm> Rules are part of a larger document under the Administrative Bulletin section. Link is Volume 09-9, September 2, 2009; SUD draft rules begin on page 215.]

Laura shared two points of information from Bethany Gadzinski. The change to SUD QP information was based on conversations with the Bureau of Occupational Licenses. The changes expected for Case Management are not yet reflected in the draft rules posted.

Significant discussion occurred around comments that have been made to each draft of the rules. The discussion concluded with agreement that providers should send revised comments, with areas they are willing to testify on at the meeting(s) to Laura. She will forward information to help facilitate communications. All were encouraged to attend the public meeting in September, on the 22<sup>nd</sup> at 10:30 a.m. at the Region 3 offices in Caldwell.

Jean Woodward attended on behalf of the SUDs Bureau and was given a copy of the concerns as of 09 01 09.

RAC Chair Darren Richman called the full RAC meeting to order at 10:11 a.m. The minutes were approved with corrections emailed to Laura.

The agenda was approved.

The training schedule was briefly reviewed. A copy of the schedule is available under the Provider Update Banner at the Region 4 RAC webpage ([www.RAC4.dhw.idaho.gov](http://www.RAC4.dhw.idaho.gov)). The next training for Clinical Supervision is September 23 in Twin Falls.

Next RAC meeting will be Tuesday November 10, 2009, since Wednesday, November 11<sup>th</sup> is a holiday. Providers will meet at 9 a.m. and full RAC at 10:00 a.m. is the current plan. Check the agenda and web site closer to the date. Ada County Sheriffs office offered their facility.

Mental Health Board Update, Vern Garrett – The detox center ground breaking was held yesterday. The Mental Health Board met yesterday and based on a request from the rural counties is sending a letter to encourage the inclusion of a rural county representative on the committee that will develop operating policies and procedures. The rural counties

agreed to support funding in the amount of \$500,000 with the understanding they would have access to beds and a voice at the table. Some of the initial players are no longer involved and now is a good time to revisit the regional commitments. The decision was made for the RAC chair to send a similar letter of support of the Substance Abuse and Mental Health Crisis Center (formal name of the Detox Center) and rural counties involvement to the appropriate governing group. Vern volunteered to help Darren draft the letter on the Region 4 RAC's behalf.

Office of Drug Policy, Sharon Burke – On June 15, 2009 she started in her new position. Expenditure reports are now part of her responsibility. The goal is to monitor monthly by population to help keep the system more level. Sharon reviewed the FY 2009 expenditures by population final report (see attachments). As we go forward into FY 10, we are encouraging the various organizations/agencies serving the targeted populations to monitor spending closely. A working group is also focusing on a detailed evaluation plan.

At the National Association of Alcoholism and Drug Abuse Counselors' conference Debbie Field received recognition for her work in Idaho on substance abuse issues. Director Field accepted the award on behalf of Idaho's collaborative multi-jurisdictional partners. She wants everyone to know it is not just her award, but for everyone in Idaho working so hard

The next ISCA Meeting is scheduled for October 28, 2009 and may be an all day meeting. Sharon will let Laura know details so the RAC is informed.

During Sharon's report, Melanie related problems SHIP experienced with housing vouchers between June and August.

Greg Ullmann, from Center for Behavioral Health, provided an update. Their second facility at Franklin and Cole is now open; in addition to their Meridian clinic. Their services are 100% client paid. They operate a 7-day a week clinic, which includes counseling/nursing services and medications for substance abuse treatment; primarily opiate dependency. \$65 a week covers all services, tests, medications, counseling, and support groups for the methadone program. The medications they dispense are primarily methadone and suboxone. He noted that patients usually need approximately one week to establish a stable, therapeutic dose. Reducing off methadone takes time, during which counseling occurs to address issues. This increases the chance of success and reduces the risk of relapse. He also noted that methadone deaths, which are receiving media attention, occur most often in pain clinics.

Greg Munson – Prevention Update – Region 4 is fully contracted with prevention services everywhere except Star. He expects to have that area's services finished soon. The prevention intervention program in Boise County is getting ready for a second year.

Sherri Molina – BPA is in audit mode. Sherri is spending much of her time working in this area. There was a request from Darren to address the gap that occurs during the change of fiscal year and start addressing the problem earlier in the year.

Georgia Girvan – new tips and taps, under age drinking tabloid, resources from RADAR.

Helen Huff – Idaho Society of Addiction Medicine. She is attending the RAC for the first time. Her interest is in helping facilitate ASAM training with health professionals and allied professionals in the state of Idaho.

Michelle Belville - Easter Seals-Good Will recently approved for RSS and is involved with a new program with IDOC. They are part of a 1.2 million dollar grant application (SAMHSA funding) for a reentry center. They hope to hear by October 1, 2009 on their grant status.

Elisha Figueroa – Meridian Mayor's Anti Drug Coalition (MADC). The MADC is working on an Rx drug take back program for residents of Meridian. Logistics of the program are the most difficult part. MADC was also awarded a 2009 National Exemplary Award for Innovative Substance Abuse Prevention Programs, Practices, & Policies. MADC's Recovery Breakfast is September 22, 2009 at the Meridian Police Department, from 8 to 9 a.m. All are welcome; please RSVP to Brenda Murdock at [bmurdock@meridiancity.org](mailto:bmurdock@meridiancity.org) or 846-7395.

Laura Thomas – CRDS reported that she is working to distribute the underage drinking tabloids to groups in the region, especially in the outlying counties. Efforts are being made to provide copies to groups with active contact with parents.

Meeting adjourned at 12:05 p.m.

**Region 4 RAC Meeting**  
**DR/Region 4 RAC Meeting 09/09/09**  
**DRAFT AGENDA 09/09/09**

**NEW Meeting Location – Intermountain Hospital, 303 North Allumbaugh Street in Boise**  
**(See directions below)**

**8:30 a.m. Provider Subcommittee; 10:00 a.m. to noon full RAC meeting**

- \* 8:30 a.m. Provider update (Treatment, Recovery Support) -  
IDAPA Rule rewrite update  
Outstanding concerns  
Edits
- \* 10:00 a.m. (approximately) Approval of Agenda and Minutes of May 13, 2009 RAC Meeting,  
Darren Richman, Region 4 RAC Chair
- \* 10:10 a.m. RAC Chair Update, Darren Richman – Budget, Training Calendar, other issues
- \* 10:25 a.m. Regional Director Update, Ross Mason
- \* 10:35 a.m. Regional Mental Health Board Update, Vern Garrett
- \* 10:40 a.m. Office of Drug Policy Update, Sharon Burke
- \* 11:00 a.m. Member Update – Center for Behavioral Health, Dori Langer
- \* 11:15 a.m. Networking Updates

Directions to meeting place

**PLEASE NOTE NEW LOCATION**

Intermountain Hospital, 303 North Allumbaugh Street in Boise  
(you can access Allumbaugh from west bound Franklin or east bound Barrister)

**If the directions below are not detailed enough, call Laura 334-6866 or email  
thomasl@dhw.idaho.gov at least one day before the meeting for additional help.**

Meeting room is in the first building on the south side of the Intermountain Hospital campus. It is the building nearest the stop sign between the drive existing the Intermountain campus and Allumbaugh. Parking is located across from the building on the north, or right hand side, as you enter from Allumbaugh - please leave spaces immediately in front of buildings for IMH clients. We will have signs posted to make it easy to find.

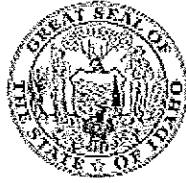

Look for a **RAC Meeting Here** sign on the door. Just inside that door to the right is the room we will use.

### **DEBBIE FIELD GETS NATIONAL AWARD FOR SUBSTANCE ABUSE WORK**

(BOISE) – Debbie Field, administrator of the Governor's Office of Drug Policy, has received the 2009 President's Award from the National Association of Alcoholism and Drug Abuse Counselors (NAADAC, the Association for Addiction Professionals) for her work in substance abuse treatment and prevention.

The award was presented to Field last week at the group's annual conference in Salt Lake City. NAADAC, the Association for Addiction Professionals, is the largest membership organization serving addiction counselors, educators and other addiction-focused health care professionals who specialize in addiction prevention, treatment, recovery support and education. It has 10,000 members and 46 state affiliates.

NAADAC Executive Director Cynthia Moreno cited Field's "commitment to reach out to the public and other professions."

"It was an honor to accept the award on behalf of Idaho's collaborative multi-jurisdictional partners," Field said. "It is unique in the nation for state agencies, courts and public/private partners to work collectively to achieve better outcomes. The 2009 NADAAC President's Award acknowledged that effort."

As the first administrator of the Office of Drug Policy, created by Governor C.L. "Butch" Otter in 2007, Field has led a broad-based groups of public and private organizations as chairman of the Interagency Committee on Substance Abuse. Its five-year strategic plan is available here: <http://bit.ly/ICSAPlan>.

The Office of Drug Policy's mission is to involve local communities and private substance abuse service providers in the process of improving the effectiveness and availability of both treatment and prevention services across all 44 Idaho counties.
